**Oregon State Capitol Hosts Multicultural Day Reimagined,
an Online Event Highlighting the State's Diverse Heritage**

Salem, Ore. – Participants of cultural and heritage events, usually hosted at the Capitol as part of the award-winning Capitol History Gateway (CHG) programming, have joined together to create Multicultural Day Reimagined for the second year in a row. This event will be celebrated 10 a.m. Saturday, Aug. 7, at <https://www.facebook.com/events/607418570239246>. The presenting sponsor is the Oregon State Capitol Foundation.

This year our premier partners are Salem Multicultural Institute and World Beat Gallery, and the Oregon Folklife Network who have provided grant funding for the event. The Capitol is committed to promoting diversity, equity, and inclusion in its public programming through the CHG.

Join us online for family-friendly activities such as musical entertainment, dancing and storytelling. This virtual event will feature specially recorded performances by our CHG partners and contain recordings of some past performances and video tours of heritage sites in Oregon.

For those who cannot join on Facebook, the Capitol will host a page of partner videos that will go live August 7 at <https://bit.ly/2UTB97o>.
